Category:2008 video games Category:Iron Man (film series) Category:Action-adventure games Category:Video games based on adaptations Category:Video games based on films Category:Video games developed in Japan Category:Video games set in New York City Category:Windows games Category:Windows-only gamesQ: TypeError: get_object is not a function when using react-bootstrap-typeahead I am using react-bootstrap-typeahead and I would like to pass in search term as a prop. I have also tried using "onChange" in the component but that doesn't work either. Please let me know if I'm approaching this the wrong way or if more information is needed. import React, { Component } from'react'; import { Form, Input, Button } from'react-bootstrap'; import Typeahead from'react-bootstrap-typeahead'; class Search extends Component { state = { searchTerm: "" } handleChange = e => { this.setState({searchTerm: e.target.value}); } render() { return(this.
